

**Assignment:** After conducting in-depth research on the characteristics and care of your tank organism or an organism approved by your teacher, create an illustrated children's book appropriate for 5th graders. The book may be fiction based on fact, or a how-to book, which the student can use to successfully set-up a tank and take care of the organisms. You will be creating your children's book using the i-pad Book Creator App.

**DUE DATE**

(See Parentheses for point value)			<b>Total Points</b>
